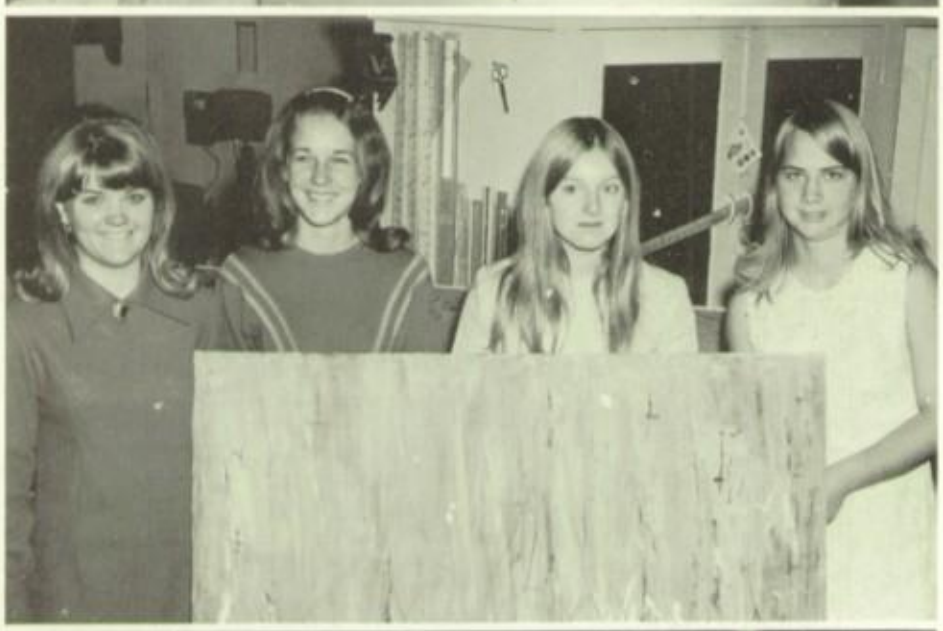
12 YEARS TOGETHER



ART CLUB

The Art Club Officers (to the right) are Carol Ross, president; Karen Kelson, vice president; Joyce Kline, secretary; and Valerie Taylor, representative. The various other shots are of art students in action.

The Art Club, under the instruction of Mr. Kneeland, took the opportunity to travel during the part year. One trip was made to Maryhill Museum on the Columbia River. Another trip consisted of a visit to the Alderhouse in Lincoln city, where the group saw a glassblower in action. The club made calendars on linen and canvas toweling to sell after Christmas vacation.

During the second semester, the club sponsored the annual Sweethearts Ball, with fabulous artistic decorations. In the Spring, the members threw a real "beach bust".

JUNIORS

It was a busy but satisfying year for the Juniors. As in the custom they sponsored the prom, a major challenge, and made it a memorable occasion.

Already having spent some very productive years in school activities they are ably prepared to lead Toledo next year. Academically, athletically and socially the contribution from the class of '71 is quite substantial, with the future yet to be told.

FRESHMEN

When the Freshman class entered T.H.S. they started a new period of life. For the class of '73 it was a year of making new friends, acquiring new knowledge and working toward goals.

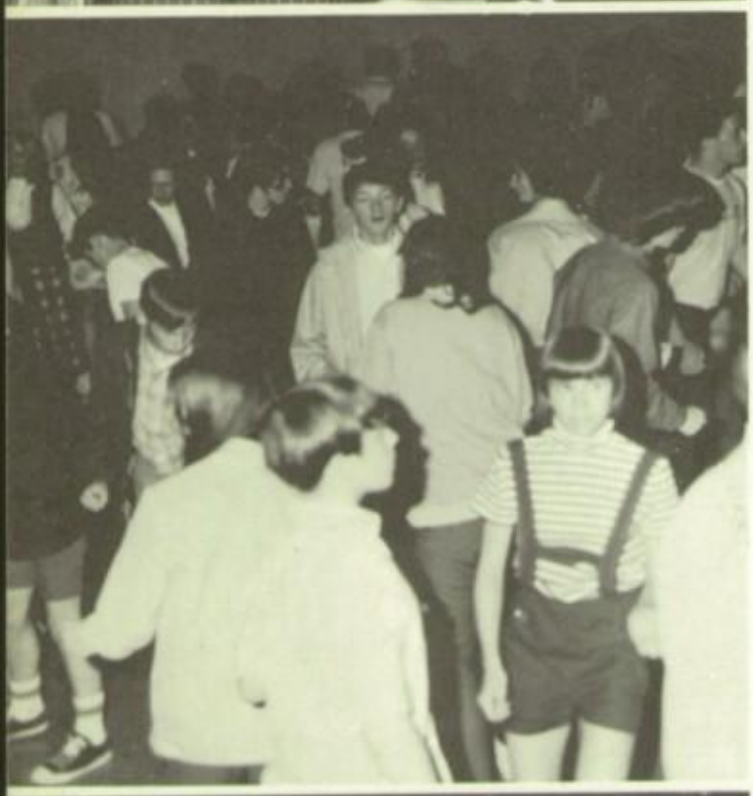
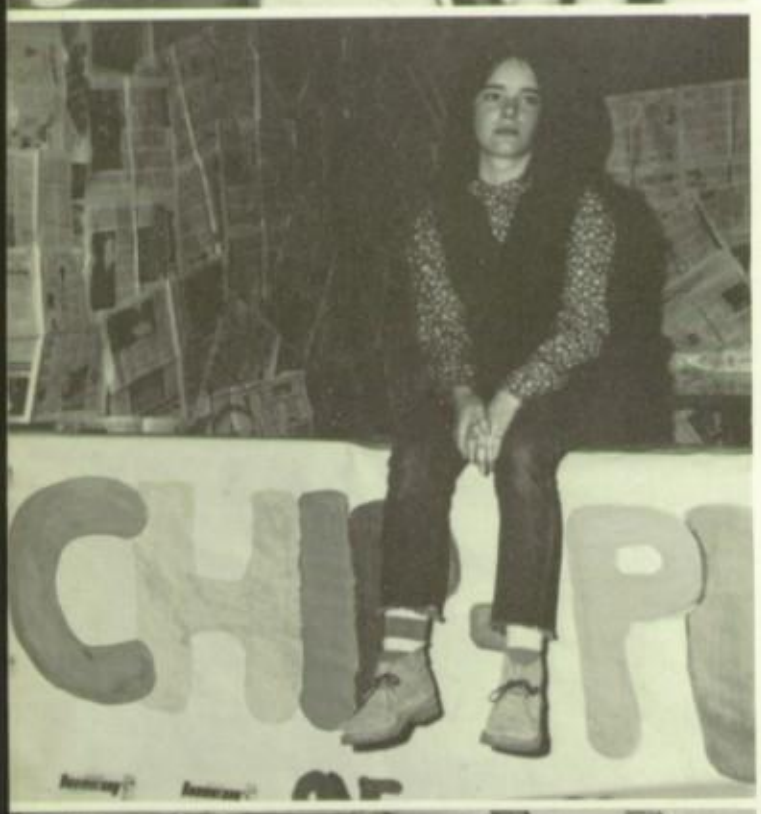
FROSH ORIENTATION

SPRING '69

ACTIVITY





CARNIVAL

Carnival! And this was it—one of the biggest nights of the year. The gym was decorated from top to bottom with color, lights, paper and lined with booths.

Remember the jail and the frantic pursuits through the crowds to catch the offenders and put them behind bars? There was a penny-pitch, fortune tellers, telegraph and a portrait booth.

The crowning of Joyce Kline as queen was one of the highlights of the evening. The other was the dance which followed the Carnival.

All in all, chalk this one up as one of the best events of the 1968-69 school year.

President Rick Coxen crowns Joyce Kline queen of the Carnival as escort Mike Woodman looks on.

Above—Part of the hugh crowd which jammed the gym on Carnival night.

Left—Robert Waite casts a spell in the fortune telling booth.

JUNIOR SENIOR PROM

"Gone With the Wind" was the theme of the annual formal Junior-Senior Prom.

White dinner jackets for the boys and spring formals for the girls made this annual dance one of the highlights of the year.

Decorations for the occasions were strictly from the Deep South with cotton blossoms and the magnolias dominating the theme.

A blackface act added humor and fun to the never-to-be-forgotten evening.

Karnda Wong, Toledo's exchange student attended, escorted by Don Jorgensen.

GRADUATION

Graduation marked the end of 12 long years in seeking an education. As the 1969 graduates marched in in blue robes to conclude their careers in THS and to begin to go seperate ways, both sadness and happiness hung in the air.

DRAMA CLUB

The Drama Club has proven itself a valuable asset to the school. Along with providing entertainment for the student body, its major purpose is to create and encourage interest in dramatics and the theatre, as well as to give the talented students valuable acting experiences.

Each year the Drama Club produces and presents one all school play. This year the presentation was George Bernard Shaw's, "Arms and The Man". Along with this, they usually present a Christmas play, and various one-act plays and skits.

PRESENTING . . .

"Arms and the Man", written by George Bernard Shaw in 1898, was presented by the student body last December, 1969.

The play revolved around Bulgaria towards the end of the Bulgarian war. The cast of 8 included Carol Ross as Raina Petkoff; David Hendrick as Captain Bluntschi ; Julie Tetlow as Louka; Butch Heller as Major Sergius Saronoff; Debbie Aldy as Catherine Petkoff; Tom Browning as Major Petkoff; Roger Osgood as Nicola; and John Haley as a Russian soldier.

The story begins during a street battle. A young captain (Hendrick) crawls in to a girl's bedroom (Ross). She just happens to be Raina Petkoff, the daughter of Major Perkoff (Browning), one of the richest men in Bulgaria.

They fall in love and at the end of the play Raina finds out that the young soldier is the ruler of Switzerland.

Mr. Roberts directed the play, and was assisted by Cindy Heller and Janice Caday, the student directors. Numerous students pitched in to help on the stage committee, makeup, costumes, sound, lighting, etc.

JU-VOCA-BU

Perhaps one of the most active organizations in THS is Ju-Voca-Bu, meaning Junior Vocational Business. It may surprise people to know that it is made up of seniors. The junior vocational business students coined the name last year, and even though they are no longer juniors, the name has stuck.

Members include the vocational business students, who are the board of directors, and stock owners. As a member, one has the opportunity to learn more about how a corporation works, more about stock markets, etc.

Last year Ju-Voca-Bu invested in two shares of Pacific Power and Light, from which they have received several dividends. Other activities have included sponsoring a concession stand and attending the stock holder's meeting in Portland, in which they stayed in the Hilton Hotel.

BOOMERANG

For the first time, this year the school newspaper, the Boomerang , came out on the first day of school, a goal the staff had set for themselves in the spring of 1969.

Under the able direction of Kathie Greenawald, the staff put out a series of newspapers during the year running double page features at times on various activities in the school. Despite the problems of dealing with a defective camera and inadequate working space, the Boomerang came out regularly and was eagerly awaited and read by the Boomers of Toledo High School.

For the first time, this year the Boomerang was entered in the Columbia Scholastic Press Association Competition, and the staff is hoping for a high rating.

TOHISCAN

(Above) Salli Green, Mr. Tetlow, Linda Evans, Bonnie Nelson, Don Abbl, Kathy Henderson, Bruce Wampler, Kathy Greenawald, Tony Hartman and Kay Fine.

All annual staff members were new to the profession this year. Last year's editor Chris Burger had produced the annual herself and so the production of this year's book fell into the hands of a new staff.

Kathy Henderson volunteered to tackle the editorship of the 1970 Tohiscan and was later joined by Kay Fine who assumed the post of assistant editor. Kathy Greenawald took over the task of copy editor and other members of the Boomerang staff pitched in when they were needed. Together, they produced this annual you are reading now.

A subscription drive was held at the beginning of the year with the winning class receiving as their prize a double-page color portrait which may be found on pages 8 and 9.

Mr. Tetlow is the advisor.

Kay Fine ponders the next step for the annual production.

FTA

The purpose of the Future Teachers of America is to allow students wishing to pursue the teaching profession to get together and discuss the occupation as a group. The club enables the students to work with teachers as aides, which gives them the vocational training in the profession. This helps give the members an insight to the profession they wish to pursue later in life, as well as enabling some to achieve a credit toward their graduation.

The club participates in the general activities as other clubs do, but with no particular yearly activity or program of their own.

The officers (bottom left) are David Hendrick, Bruce Wampler, Gayle Sinclair, Cindy Heller, and Ameial Owens.

FHA

The Future Homemakers of America (FHA) contribute much to the well-being of Toledo High. This is the largest club which is only open to girls.

Mrs. Whited is FHA's advisor. During the first semester she was assisted by her two student teachers from Oregon State University. They were Miss Cahr and Miss Keller.

FHA has many projects throughout the year. They sponsored a Valentines cake and cookie sale. During the carnival they had a food booth and a cake walk. FHA has its own installation ceremony which was at open house this year.

The officers are Connie Dickey, Mariann Gray, Cathy Parr, Leslie Moothart, Pam Montague, and Kathy Rassmussem.

SCIENCE CLUB

The Science Club had several projects during the past year, which included courses in photography, archeology, geology, and marine biology. A field trip was taken pertaining to geology. The club also had a study on mushrooms.

To finance their many projects, the members took part in running the concession stand at school games.

BIBLE CLUB

For the past three years, the THS Bible Club has been sponsoring Earnest (please note spelling), in a small town in Kentucky. He is sponsored through an organization known as Children Inc. The Bible Club has had many money raising activities in order to meet the $10 a month support, which goes toward Earnest's schooling and other necessities.

Earnest has 13 brothers and sisters, some of whom are married and are living away from home. Earnest's father died when the boy was twelve years old, the first year we had him. This will be Earnest's last year in elementary school, he will begin his freshman year in the fall. It is the hope of the Bible Club that, as a high school student, Earnest will have the opportunity to better his standard of living, as the Bible Club will be considerably diminished in size with the graduation of the class of '70.

The Bible Club is under the direction of Mr. Brandt, and has approximately 15 members. The officers are: Sydney Miller; President–Linda Girardelli; Student Council Representative–Gayle Sinclar; Vice President & Devotions–Heather Park; Sec.-Treas.

The old Honor Society members include Susie Stokes, Reba Lovelady, Susan Gilmont, Linda Rowley, Cindy Heller, Janice Caday, Sandy Kennedy, Val Taylor, Janis Edmonson. Also Linda Giradelli, Vic Hungerford, Sydney Miller, Tom Leech, John Kenyon, John Schrimer, Roger Osgood, David Hendrick, and Ron Flowers.

NATIONAL HONOR SOCIETY

The Officers of Honor Society are David Hendricks, president; Janice Caday, secretary; and Rick Fine, vice president.

The Honor Society welcomed several new members this year, from the junior and senior class. Bottom row: Kathie Greenawald, Kathaleen Kaps, Joyce Kline, Kim Hargett. Second row: Bill Wienert, Kathy Leach, Karen Mahler, Karen Wallace, Anita Morse, Maurita Clark, Laurie Jacobson, Don Reeves, John Letts. Top row: Paul Henderson, Jeff Ramseyer, Mike Hill, Normon Gilmont, Mike Tyler, Lonnie Kaps, Onie Toering and Matt Maynard. Not pictured—Chris Jorgenson.

SPANISH CLUB

Having only one foreign language class in Toledo High, the Spanish Club is a special addition to many clubs. The membership is made up entirely of those students taking Spanish. The club's purpose is to make clear to the students other cultures and other ways of life, stressing the cultural values of each country.

The club has been very active this year, and boasts many achievements including the initiation of new members and their dinner at Ricardos; the trip to the "Man of La Mancha" in Portland; selling of holly during the Christmas season; a Paella Party, and their annual presentation of Spanish skits for the student body.

The Spanish Club also helps to further the education of other students in the school by using their treasury funds to provide Shakespearian scholarships, or financial aid to outstanding students at Toledo High School.

The officers are to the right: (top to bottom) Susan Gilmont, Judi Dickey, Joyce Kline, and Ron Flowers. They are all seniors. The members are pictured below with their advisor, Mrs. Browning.

GIRLS' LEAGUE

If there was a dual award given to the most active clubs at Toledo High, Girls League and GAA would have no trouble winning it.

Leading in the Girls League project list was Twirp Week. The members planned and conducted the activities for the entire week. At the end of the week they sponsored the Twirp Dance at which Marilyn Wade was crowned Twirp Week Queen.

December was probably the busiest month for Girls League. They decorated the halls for the holidays and supervised the Elks Food Drive. They also sponsored various money raising projects and contributed $50 to their scholarship fund.

The Girls League officers are pictured in the top left picture. They are Merrick Gruber, Valerie Taylor, Glenda Coxen, and Ann Boudreaux. The two bottom corner pictures are of the GAA's volleyball games.

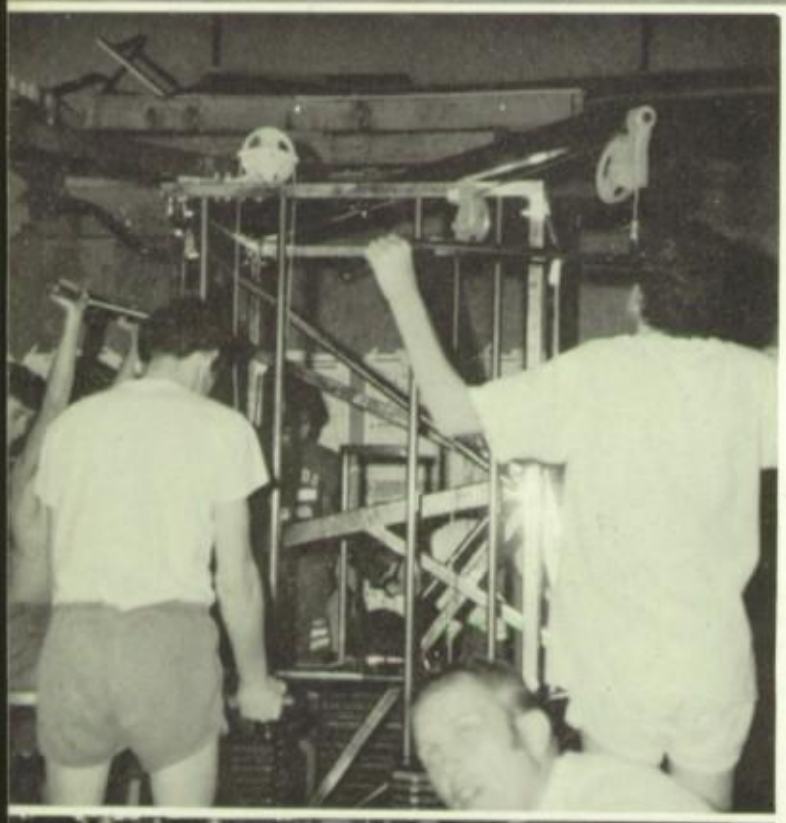
G.A.A.

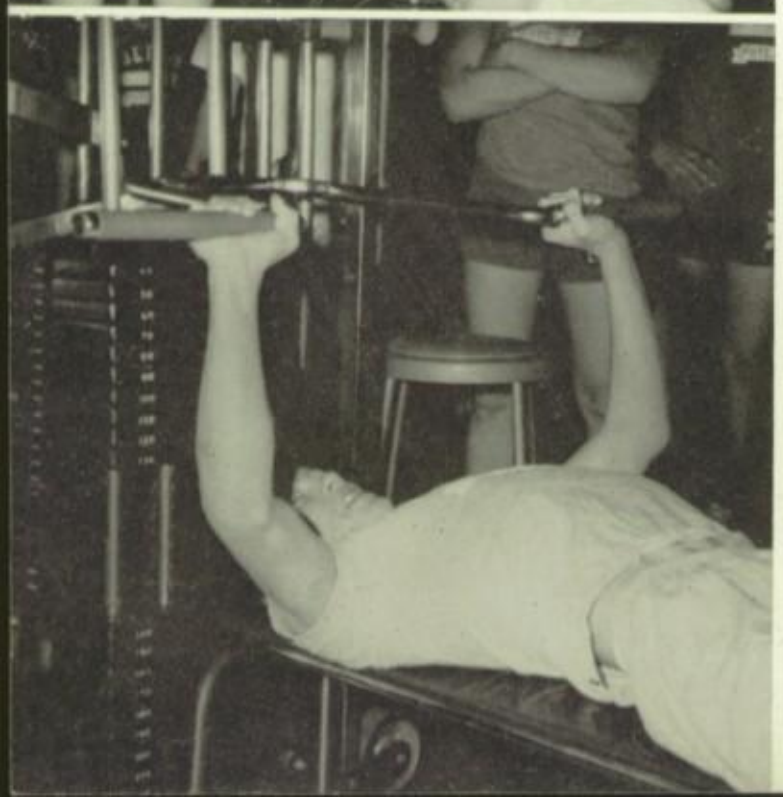
G.A.A. or Girls Athletic Association, is advised by Mrs. Wordal. G.A.A. is an organization which gives girls a chance to show their abilities in sportsmanship, and it gives the girls a chance to exchange ideas with students from other towns. It promotes community relationships and it gives the girls a chance to develop friends from outer communities.

The activities which are sponsored by G.A.A. are volleyball, basketball, and softball.

The turn out for G.A.A. activities have been excellent. Next year Mrs. Wordal plans to include various individual sports in the list of activities. All girls are eligible for G.A.A. Meetings are held once a week after school.

The officers of G.A.A. include Karen Kelson, Judi Dickey, Kathy Graham, Penny Wade, Janice Caday, and Cindy Loomis. Pictured bottom right. The G.A.A. members and their advisor, Mrs. Wordall, are pictured on the bottom left.





LETTERMANS' CLUB

All students who letter in any sport at Toledo are automatically eligible for the Letterman's Club. This does include girls as well as the boys.

The main project of the Lettermans' Club this year was to raise funds for the payments on the universal gym. The gym was purchased at the first of the year for $2300. They also sponsored the "Lettermans' Ball".

The officers pictured below are John Schirmer (top), Jack Benson, Jim Lynch, and Ed Atchley, president. (Above) the Lettermen, and to the right, students working out on the universal gym.

PEP CLUB

"We've got spirit"? Well, of course we do. Just ask any of the 75 temporary members of Pep Club who posed for the bottom shot.

The Pep Club officers (middle right) were Joyce Kline, Doylanne Shoemake, Ann Boudreaux, and Becky Mitchell. The members chose not to have uniforms, but instead, blue and gold uniform pom-poms.

The most active members were the cheerleaders who played the role their title suggests: they cheer-lead.

Although the Pep Club has seen better years, they did an ok job considering who they had to work with.

The Pep girls form the traditional T in their group shot to the right. Kay Fine and Don Abbl (top left) display the Boomer spirit. Reba Lovelady, as usual, (top right) has her mouth open during a yell at a basketball game.

One of the highlights of any game, assembly or function held at the high school is the appearance of Toledo's band. Colorfully garbed in their uniforms, Mr. Sloan's group can always be depended upon to provide the appropriate music for any occasion.

MUSIC

This year's 1969-70 T.H.S. chorus was lead by Toledo's own "Music Man", Bob Sloan. Sloan has been band instructor for the past nine years and just this year has turned his musical genius to the chorus, filling the absence of Mrs. Imel.

Plagued by the fact that very few of his choral students read music, Mr. Sloan has directed a good percentage of his time into teaching the fundamentals of reading sheet music. Yet in accordance to this they also gave three performances, one for the student body, another was a memorial service for the Elks and the other was a Christmas concert here at the school. At press time, preparation was being made for the annual County Music Festival, this year to be held in Waldport.

We wish Mr. Sloan and the chorus much luck at the festival and the greatest of success for next year.

During half-time at the athletic events, downtown during the Christmas season, or marching in the Loyalty Days celebration, Toledo's band is always present, providing an extra bit of color and pep.

It just wouldn't be Toledo high school without Bob Sloan's musical group.

DANCES

CHRISTMAS DANCE

The class of '70 seemed to have this thing about winning the Elks Christmas food drive. For the third time, they crowned their princess queen.

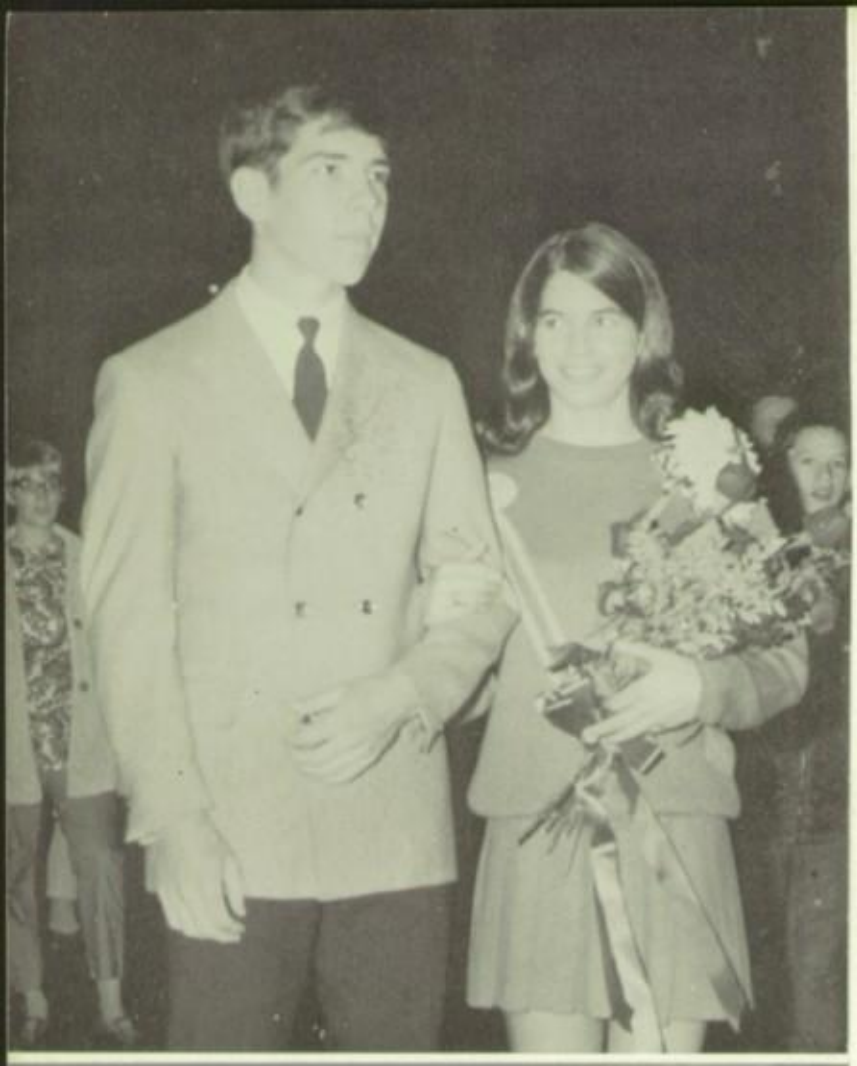
Diane Dudley, senior queen, reigned over the 1969 Christmas dance. The seniors won the food drive with a total of more than 900 pounds of food. The freshman class placed second, the juniors third, and the sophomores fourth.

Each year the local Elks Lodge sponsors a food drive for the needy. The classes each elect a princess and then compete with each other to collect the most food. The class that collects the most pounds of food, has their princess crowned queen at the semi-formal Christmas dance. It is held each year at the Elks Lodge.

A popular rock band provided the music for the Toledo, Siletz and Eddyville students. The "Stoned Illusion" from Vancouver Washington arrived about an hour late, but the kids forgave them, and the dance rolled on.

Hey, where's all the girls? The pictures at the left from top to bottom makes it look as though it was an all boy dance. Jim Lynch, Diane Dudley's escort looks very happy about the whole thing. Above right, the lead singer for the Stoned Illusion sings his heart out. The band was really dug by everyone who went.

Top left, John Beckham and Kathy Lynch make fun of the silly people dancing. Maybe they were watching Carol Wolf in the bottom picture who is staring into the clouds. The '69 Christmas Court from right to left were Diane Dudley, senior; Becky Mitchell, junior; Laurie Benson, sophomore; and Sue Hendricks, freshman. David Howard points out the facts of their personal secret. Get It, Reinen?



HOMECOMING-1969

Homecoming lasted for three days. The burn was on Thursday night, the game Friday night, and the dance Saturday night. Well, Vandals ruined the burn, we lost the game with Siuslaw, but the dance wrecked everything—it was a success. The Sacred Sunshine provided music for a full house in the cafeteria.

Janis Edmonson (left) was crowned during halftime at the game, as '69 Homecoming Queen. Her escort for the game was Veron Abbel. The other members of the court were Kathy Graham, senior; Doylanne Shoemake, junior; Carol Ross, sophomore; and Janice Davis, freshman.

The student council was in charge of the Homecoming weekend. Ann Boudreaux was appointed chairman. She sent out invitations to alumni throughout Oregon and thoroughly publicized Homecoming. Bruce Wampler and Paul Browne (bottom left) salute the Boomers in the last few minutes of the burns very existence. The scoreboard, we hate to mention, was from another game, darn it!

So what if we lost by 40 points? We sure had a good time. Homecoming was highlighted by the court which the football team picked. (top right) soph. princess, Carol Ross; senior princess, Kathy Graham; Homecoming Queen– Janis Edmonson, senior; Doylanne Shoemake, junior princess; and Janice Davis, freshman princess. The burn was piled near the Junior High, but this change in location did not curb the Homecoming spirit. The varsity cheerleaders (bottom right) supervised the Thursday night fiasco. Steve Lyons probably worked the hardest of all (above) while driving his dump truck. Sydney Miller (top left) served the goodies at the semi-formal dance on Saturday. Just for the records, that's apple cider.

GIRLS VOLLEYBALL-GAA

The girls volleyball team showed the coast league teams who's who this season with a five win, two loss record, slipping only to the Taft and Waldport teams in a rechallenge match.

The loss of seven seniors will mean next year's A team will have six players chosen from this season's strong B team moved up to help out Sally Rose and Kathy Smith, who will be the only returning members.

Lloy Dene Carver, Kathy Graham, Kathy Tetlow, Judi Dickey, Janice Caday, Ann Boudreaux, and Chris Jorgenson will certainly be missed next year when volleyball rolls around.

Under the direction of Pat Wordal, the team sponsored the Coast League Invitational and added a trophy to the school case.

Below, several members clown around, as was their usual pastime. They are: Judi Dickey, Kathy Graham, Kathy Smith, Janice Caday, Ann Boudreaux, Salli Rose, and Kathy Tetlow. The entire team is pictured to the bottom left.

The volley girls had a real gas this year, meeting all types of opponents at each game. Volleying proved to be healthy as well as fun; so if you need a "muscle woman"–get the members of the volleyball team. No kidding! The girls have really made a name for the Toledo High girl's sports, and a basis for a continuing team effort in years to come.

FOOTBALL '69

For the first time in many years, the Toledo Boomers had a winning football team!

The Boomers went on the gridiron this year and proceeded to outscore and outplay opposing teams on six occasions, only dropping three ball games to strong teams. Our Boomers even outscored all of their opponents by a score of 140-108.

Yes, this year's student body can be proud of one of the finest football teams in Toledo's history.

Some of the many outstanding players include: Andy Vogel, quarterback, Jim Lynch, quarterback, Matt Maynard, split end, Mike Kriz, half back, Don Arriga, wingback, Pete Arnold, guard, John Ballew, tackle and many more.

Coach Kosoff gives a pep talk during half time. It was probably during the Toledo-Newport game when Newport literally stomped the Boomers in the mud.

The crowd shot to the right is not of the Boomer cheering section as you can tell by close observation, but of that of one of our many rivals. This goes to show that we're not the only team fortunate to have lots of backing.

What? A five yard penalty against Toledo? No, if you look real close the ref is signaling a touchdown, a foggy touch down at that.

BASKET-BALL

A scene typical of the action-packed basketball games of the high flying Boomers this year.

The 1969-70 Basketball season proved to be an exciting one with the Boomers breaking many records. The Boomers won two tournaments and ended up in third place in the Coast League.

The 14-8 season record speaks for itself. Thanks to the help of nine seniors and three juniors, the 1969-70 basketball season proved to be one of the best seasons ever.

'69 TRACK

The '69 track team, although hindered by an incomplete track field, had a season filled with action. Coach Hargett found the team to be an exceptional one. Next year the new track field should be completed, so look out coast league!

The track stars included Gary Coxen, an excellent pole vaulter; Kenny Ray, high hurdles expert; Eric Wade, sprinter; and Tim Thomas an all-round track star—these are only a few. The pictures of this year's track will appear in the annual spring section next year.

These pictures were taken last spring during a Toledo track meet with Newport. Above Gary Coxen is getting ready for a relay. To the left Gary goes up over the pole.

BASEBALL

The '69 season for the baseballers, although not too successful, was full of action. The scores of their six games were:

Toledo	0	Newport	14
Toledo	2	Newport	10
Toledo	8	Taft	21

Toledo went to district and from there, seven members went on to Inner District. Three Boomers placed in Inner District and qualified for State; Eric Wade, Don Reeves and John Ballew. Eric took a first and Reeves took a second.

In State A-2, the boys placed second and the girls placed fourth.

In the combined districts of A-1 and A-2, boys placed fifth and the girls placed fifth. Other teams competing in this meet were Medford, Klamath Falls, Roseburg, Ashland, Grants Pass, Marshfield, North Bend, Reedsport and Toledo.

The teams were very well satisfied with their showings in the State A-1 and A-2 meets and are looking forward to next year for a still more successful season.

We have had a lot of fun times and cried and laughed and sometimes together and of course we have one year at high school. Then during our year to have more fun and we will probably go our separate ways but I hope going to be hard work or marriage. always remember you - I hope you get stuck with someone will be happy with for the rest of your life. (It will probably be Pete (hope so don't you) good friend always in the future!

Laurie

Good luck in the
